2. [REDACTED] The group reviewed the attached draft dated 4 August prepared by CIA which reflects changes to the GAO draft dated 31 July 1978. Mr. Gryszkowiec agreed to most of the changes, however, final approval by GAO will not be possible until sometime early next week. Cliff Fowler, GAO, will call [REDACTED] to go over the changes.

3. [REDACTED] Mr. Shackley explained that when the final version is approved by GAO, it will be necessary for the draft report to be submitted for final review at the Director's level. Once finally approved, the Agency can at that time address itself to a review for declassification. It was estimated that this will take at least another two weeks.
